

## WordPress & Shopify Developer

Location: 6 Clarence Terrace, Leamington Spa, Warwickshire CV32 5LD

We're a 50+ strong, full-service agency based in the heart of Leamington Spa. If you're a technical whizz with an eye for design, we want to hear from you! This new, full-time role will focus on the build of Shopify and WordPress solutions, as well as creation and implementation of themes within these platforms.

### Benefits

- Hybrid working model – because life isn't rigid, we're not either
- A top of the range laptop and equipment required to fulfil your role, wherever you're working
- Opportunities to attend the best industry conferences and training events each year
- Regular socials and a monthly Friday Feelings!
- Unlimited amounts of tea & coffee
- FREE fruit and snacks
- FREE drinks (alcohol or alcohol-free) from the Denfeld Arms.  
*"Yes, we have our own on-site pub"*

### Essential Skills

- Solid, demonstrable experience in the delivery of Shopify and WordPress solutions.
- A creative eye / flair for content and design
- Good understanding of digital marketing principles (SEO & PPC).
- Detailed knowledge of programming languages and technical terminology
- Strong knowledge of installing & customising the new Shopify themes and WordPress plug-ins.
- Plug-in optimisation and customisation across both platforms.
- An excellent eye for clean, semantic code.
- Strong understanding of the latest technology and code principles
- Great communicator with client facing experience.
- Ability to work with Adobe suite and Figma.

### Advantageous

- Demonstrate a portfolio of Shopify and WordPress projects.
- Knowledge of Shopify liquid templated language.

This is an exciting opportunity to grow within a fast-paced agency.
