

Video Producer

Denfield

Location: **6 Clarence Terrace, Leamington Spa CV32 5LD**

Reports to: **Creative Director / Head of Production**

Term:

Full/part time/flexibility available

We are seeking a highly skilled and self-sufficient Video Producer to join our fast-paced marketing agency. This is a hands-on, client-facing role that covers the entire video production lifecycle—from concept to delivery. You will be responsible for producing compelling video content for a diverse range of clients, tailored for digital and social media platforms.

This role is ideal for someone with a strong creative vision, technical expertise, and the ability to work independently while collaborating effectively with account managers and clients.

Key responsibilities

Pre-Production

- Develop creative concepts and scripts in collaboration with clients and internal teams
- Produce storyboards and detailed shot lists
- Plan shoot logistics, including equipment needs and location coordination

Production

- Serve as a solo shooter on location and in studio settings
- Operate cameras (Sony A7S III), gimbals, and drones (valid drone license required)
- Set up lighting and sound for interviews, B-roll, and narrative content
- Conduct interviews and manage on-camera talent with professionalism
- Use and manage teleprompters during shoots

Post-Production

- Edit video content using Adobe Premiere Pro and After Effects
- Create motion graphics and basic animations as needed
- Format and export videos in multiple aspect ratios for various platforms (e.g., Instagram, TikTok, YouTube, LinkedIn)
- Ensure all content aligns with client branding and messaging

This is an exciting opportunity to grow your own role within a fast-paced agency.
